

Given the uncertainty of recent days, we're indebted to S. Pat Bergen, CSJ from LaGrange, IL for sharing her inspired prayer for peace with us this week...

Dear God,

May today be Day One of a new unity in the US, with former divisions freshly healed by humility, wisdom, charity, grace, and forgiveness. Healer of our every ill, breathe in and among all of us who dwell on this land. Soothe our wounds. Calm our fears. Mend our divisions. Hope of all tomorrows, open our deaf ears and fill us with compassion. Tender our hearts. Inspire creative ideas to address the cries of our sisters, brothers, and Earth itself. Send forth your Spirit of Love and Unity. Transform pointed fingers of blame into hands open in reverence to receive one another. Fan into flame the gift of our founding and let us be known again as a people united for the goodness, justice and peace of all people forever. Amen.
