

**“Knowing”**

**To awaken -  
To know ultimate reality,  
to experience communion within the divine moments in nature  
Eyes that dance, flowers that laugh, voices that sing,  
All are one in the essence of You  
Transcendent yet immanent**

**Jodi Cretan, CSJ, Concordia, KS**

**(Used with permission)**

**Sending you love and ‘divine moments in nature’ this weekend!  
The Women’s Table**
