

## **Silent God**

*Edwina Gately*

This is my prayer –  
That though I may not see,  
I be aware  
Of the Silent God  
Who stands by me.  
That, though I may not feel,  
I be aware  
Of the Mighty Love  
Which doggedly follows me  
That, though I may not respond,  
I be aware  
That God – my Silent, Mighty God,  
Waits each day  
Quietly, hopefully, persistently.  
Waits each day and through each night  
For me.  
For me – alone.
